Objectives of the Audit:

The audit aimed to **evaluate compliance** with the Guidelines on suo motu disclosure under **Section 4** of the RTI Act and assess the **effectiveness of its implementation and control mechanisms**. Specifically, the evaluation examined the **Self-Appraisal Report of IHM Gandhinagar for 2024-25** and its official website (<https://ihmahmedabad.com>) to ensure adherence to prescribed guidelines for **Central Government Ministries & Departments**, including:

- **Expanding suo motu disclosure** under Section 4.

2. **Budget and Programme**
3. **Publicity and Public Interface**
4. **E-Governance**
5. **Prescribed Information Disclosure**
6. **Proactive Information Disclosure (Self-Initiated)**

This audit plays a crucial role in enhancing **transparency, accountability, and public accessibility** of information, ensuring that proactive disclosures align with government-mandated guidelines.

Key Findings and Priority Recommendations

We commend the **IHM Gandhinagar** for its commitment to transparency by making essential information accessible on its website. However, the audit has highlighted areas that require **greater clarity and comprehensive disclosure**, including:

1. Enhancing the prominence of information under **Section 4(b) of the RTI Act**.
2. Providing detailed historical insights into the department's **formation, leadership changes, and committees/commissions constituted over time**. Additionally, information regarding the **channels of supervision and accountability** should be included.

3. Conducting regular programs to promote awareness and understanding of the RTI Act.
4. Regularly updating and publishing **Gross monthly remuneration** and compensation details of employees—at least once every six months.
5. Linking **budget allocation details** currently available on the website's main page to the RTI section.
6. Expanding details under the **Citizen's Charter, Result Framework Document (RFD), and six-monthly performance reports**.
7. Forming a **consultation committee** of key stakeholders to provide input on **suo-motu disclosures**.
8. Publishing **Parliamentary questions and responses** related to the Public Authority.
9. Disclosing **details of domestic and foreign official visits**, categorized under the Public Authority's centers.
10. Clearly **displaying the last update date** for each webpage in **DD/MM/YY format**.

IRMRI would like to share positive feedback that in future all the required information/urls/links may be posted on website to meet the Transparency Audit Metrix.
